DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.
- 2. Claims 1-43 are rejected under 35 U.S.C. 102(e) as being anticipated by Beckerdite'621.

See summary of the invention for general laminate structure, column 3, lines 15-67 and column 4, lines 1-14 for composition of the polyetheramine polymer, column 5, lines 40-67 for laminate structure, column 6, lines 5-10 for PET and polyolefins as in the claimed structure, column 6, lines 20-55 for polymers used in laminate structure as in the claimed invention, Example 1 for preparation of PHAE polymer that is identical to the polymer claimed by applicants, Tables 1-4 for composition of the layers.
